

# Bull Breeding Soundness Examination (BBSE) 2022 10 CVE CREDITS

**Wednesday, 6th July 2022 8.30am—17.30pm**  
**Tullamore Court Hotel, Co. Offaly and afternoon on**  
**farm practical, Roskeen, Co. Laois**

This one-day event is suitable for vets interested in offering a bull fertility testing service to their clients, no prior experience is required.

Our trainers will cover all aspects of bull reproductive evaluation, including physical examination, testicular and penile conditions, and all methods of semen collection. Semen motility and sperm morphology will be covered in detail, and a good general discussion on the whole area of certification.

Places are limited to 10 delegates, early booking is advisable.
